The down-sizing of NASA, the primary employer in the Clear Lake area has greatly affected the number of students that can attend a private school. Our numbers dropped in half last year, and this year, by the end of the year and the landing of the last shuttle, jobs were lost by NASA contractors and parents could not enroll their students for the following year. Many private schools have struggled to remain in operation because of the down turn. However, the Lab School has always allowed students who began the program, to finish the school year, even when they could not pay, but that caused our salaries and supplies to be remain the same without funds to cover the cost.

Part IV, Line 4a

The down-sizing of NASA, the primary employer in the Clear Lake area has greatly affected the number of students that can attend a private school. Our numbers dropped in half last year, and this year, by the end of the year and the landing of the last shuttle, jobs were lost by NASA contractors and parents could not enroll their students for the following year. Many private schools have struggled to remain in operation because of the down turn. However, the Lab School has always allowed students who began the program, to finish the school year, even when they could not pay, but that caused our salaries and supplies to be remain the same without funds to cover the cost.

Part VI, Section A, Line 2 - Dr. Jim Hastings and Dr. Kay Hastings are husband and wife.

Part VI, Section A, Line 5 - New appraisals of he land and building for 2010 shows the significant increase in value since the original organization of the school and the purchase of the property.

Part VI, Section A, Line 8a - In general, the school operates the same from year to year and its operations rarely change. The 990's and other documents constitute the bulk of the written documentation except in cases of change of bank signatures where resolutions are made. Files of school documentations are kept at the office which follow the guidelines established by the board and other agencies that have oversight of schools. The governing body has complete access to all these documents and written agreements.

Part VI, Section A, Line 9 - Trustees that cannot be reached at the school address are listed with mailing addresses in Part VII, Section A; Mickie Cameron and Anne Somers.

Part VI, Section B, Line 11 b - The 990 and related documents are the major reporting instruments to the governing board to show the state corporation each year.

Part VI, Section C, Line 19 - Through www.foundationcenter.org and upon request.

Schedule D (Form 990) Part VI - Appraisals of land brought asset values up significantly.
